Dear James,

Thank you so much for your last letter. Sorry I helped my parents with washing up so I couldn't answering on your questions.

I like different music because I'm into music. I can listen solo, jazz, pop, rock, classic music. I don't listen classic very often and every day, of course. But it's interesting for me, too. My favourite music is pop music. So I know a lot of sings which popular today.

I haven't got favourite kind of music but I prefer "Beatles", "Scorpions", "Pink", "Mband", "One direction" and others. I was on the concert in Moscow last year. It was an exciting! It was band which called "IOWA". My family like music too!

I play on the guitar. My parents presented this guitar me on my birthday last year. My friend plays on the piano. Her name is Jenna. But only Jenna play on the musical instrument. Other friends don't like music. They like watching TV.

Best wishes,

Nastya
