Dear James,

Thank you for your letter. I send it for you. And of course I would like to get the answer. 26

As for me, I like pop music very much, but my brother likes rock music, they say: "Tastes are differ". My favorite kind of music it is electronic, dupstep etc. 30. Last year I want to go music school, but I have no time, so I have a bad marks at school. And I decided, that I will go to music school next year to study play the guitar, because my mum likes guitar very much, and it a beautiful when your family hear this songs. In my childhood my dad bought tiny guitar for me. I was exciting. 68.

I hope my letter it will be interesting for you, because I told you my story of life. Would you like to be a participant of popular music group? Have you got a violin in your home? Would you like to go on concert favorite ^{music} group?

Best wishes,

Sena. 50,
